

Distance Learning Week 2 - Gray Wolves

Week 2 - April 13-17

It was great "to see" so many of you online last week! We may have run into a few bumps in the road on our adventure in distance learning, but things are starting to fall into place. Thank you for your understanding as we continue to iron out the online pieces and get packets to you. Let's continue being patient with each other :)

The most important thing is that we stay connected despite being physically apart. The best way to do this will be to login to our morning meet at 9:15am on Zoom. For additional help, please connect with us via email or zoom during our office hours. Please let us help you if you haven't yet figured out how to connect to Seesaw, Zoom, ReadWorks, or Khan Academy; these are the four online platforms that we are using.

The packets for Gray Wolves did not reach the printers in time for Week 2. The paper versions will be combined with Week 3 packets; both of these week's packets are now in cue ready to be printed out. In the meantime, the packets for Week 2 will be posted on the school's website and in Seesaw.

We're including some information on schoolwork expectations and resources that you and your student(s) will need to be successful in our distance learning classroom. Just like at the beginning of the school year, it takes a few weeks to settle into the routine, this will be the same. We are in this together!

Each week we will be sending out a weekly letter with daily checklists attached. This letter will also be found on our [school website](#) and on [Seesaw](#). See this week's daily checklists on page below.

"See" you online!

Gray Wolves Team: Mr. Shaq, Mr. Craig, Ms. Tracey

Daily expectations

Students and families

- Read through the daily checklist (see each day's checklist on the next page).
- Login to [Seesaw by 9:00am](#) - we will be taking attendance by checking daily logins.
- Connect with the class on **Zoom at 9:15am** for a daily morning meeting.
- Contact us during office hours by Zoom, phone or email as soon as you have questions. Our office hours are:

Mr. Shaq	Mr. Craig
10am-12pm	1pm-3pm (except Friday)
Zoom	Zoom
email	email

What you can expect from us

- We will send out a daily checklist each week by 6:00 pm on Sunday.
- We will do our best to respond to emails and phone calls within 1 school day. We will try and respond faster than this but some questions may take longer.
- If we are receiving a lot of the same questions, we may send out a response to the whole class rather than an individual response.
- We will grade and share feedback on student work within 3 school days. Again, sometimes this will be faster but as we are learning this new way of schooling, it may take longer
- If you contact us during office hours, we may be in a call but we will get back to you as soon as possible
