

## Title IX Student Sex Non-Discrimination

Policy: Title IX Student Sex Non-Discrimination (522)  
Adopted 01/28/2020

### I. PURPOSE

Students are protected from discrimination on the basis of sex pursuant to Title IX of the Education Amendments of 1972 and the Minnesota Human Rights Act. The purpose of this policy is to provide equal educational opportunity for all students and to prohibit discrimination on the basis of sex.

### II. GENERAL STATEMENT OF POLICY

- A. The school provides equal educational opportunity for all students and does not unlawfully discriminate on the basis of sex. No student will be excluded from participation in, denied the benefits of, or otherwise subjected to discrimination under any educational program or activity operated by the school on the basis of sex.
- B. Every school employee shall be responsible for complying with this policy.
- C. The school board hereby designates the Head of School, 5140 Fremont Ave No, Minneapolis, MN 55430, 612-302-3410 as its Title IX coordinator. This employee coordinates the school's efforts to comply with and carry out its responsibilities under Title IX.
- D. Any student, parent, or guardian having questions regarding the application of Title IX and its regulations and/or this policy should discuss them with the Title IX coordinator. Questions relating solely to Title IX and its regulations may be referred to the Assistant Secretary for Civil Rights of the United States Department of Education. In the absence of a specific designee, an inquiry or complaint should be referred to the Head of School or the school human rights officer.

### III. REPORTING GRIEVANCE PROCEDURES

- A. Any student who believes he or she has been the victim of unlawful sex discrimination by a teacher, administrator, or other school personnel, or any person with knowledge or belief of conduct which may constitute unlawful sex discrimination toward a student should report the alleged acts immediately to an appropriate school official designated by this policy or may file a grievance. The school encourages the reporting party or complainant to use the report form available from the principal of each building or available from the school office, but oral reports shall be considered complaints as well. Nothing in this policy shall prevent any person from reporting unlawful sex discrimination toward a student directly to a school human rights officer or to the Head of School.
- B. In Each School Building. The building principal is the person responsible for receiving oral or written reports or grievances of unlawful sex discrimination toward a student at the building level. Any adult school personnel who receives a report of unlawful sex discrimination toward a student shall inform the building principal immediately.

## Title IX Student Sex Non-Discrimination

- C. Upon receipt of a report or grievance, the principal must notify the school human rights officer immediately, without screening or investigating the report. The principal may request, but may not insist upon, a written complaint. A written statement of the facts alleged will be forwarded as soon as practicable by the principal to the human rights officer. If the report was given verbally, the principal shall personally reduce it to written form within 24 hours and forward it to the human rights officer. Failure to forward any report or complaint of unlawful sex discrimination toward a student as provided herein may result in disciplinary action against the principal. If the complaint involves the building principal, the complaint shall be made or filed directly with the Head of School or the school human rights officer by the reporting party or complainant.
- D. The school board hereby designates the Principal, 5140 Fremont Ave No, Minneapolis, MN 55430, 612-302-3410 as the school human rights officer(s) to receive reports, complaints or grievances of unlawful sex discrimination toward a student. If the complaint involves a human rights officer, the complaint shall be filed directly with the Head of School.
- E. The school shall conspicuously post the names of the Title IX coordinator and human rights officer(s), including office addresses and telephone numbers and work email addresses.
- F. Submission of a good faith complaint, grievance, or report of unlawful sex discrimination toward a student will not affect the complainant or reporter's future employment, grades, or work assignments.
- G. Use of formal reporting forms is not mandatory.
- H. The school will respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the school's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations.

### IV. INVESTIGATION

- A. By authority of the school, the human rights officer, upon receipt of a report, complaint, or grievance alleging unlawful sex discrimination toward a student, shall promptly undertake or authorize an investigation. The investigation may be conducted by school officials or by a third party designated by the school.
- B. The investigation may consist of personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. The investigation may also consist of any other methods and documents deemed pertinent by the investigator.
- C. In determining whether alleged conduct constitutes a violation of this policy, the school should consider the surrounding circumstances, the nature of the behavior, past incidents or past or continuing patterns of behavior, the relationships between the parties involved, and the context in which the alleged incidents occurred. Whether a particular action or incident constitutes a violation of this policy requires a determination based on all the facts and surrounding circumstances.
